

A Word from Our Sponsors

by Brandon Kruse

You may have noticed that we here at poopreading.com have recently added Google Ads to our website. We hope that these serve as an enhancement to your reading experience, as well as a way for us to continue funding our tireless efforts to bring you the finest bathroom reading material the internet has to offer.

In addition to our partnership with Google Ads, we have also sought out promotional sponsors for the site. This endeavor has not been as successful. Let's be honest; it has been an outright failure. As a fledgling start-up, we realized we were not in a position to attract the Targets or Proctor & Gambles of the business world. But the results of our sponsor search were stunningly disappointing, even with our lowered expectations.

Still, as part of the agreement for our sponsor submission process, we are contractually obligated to give each sponsor a one-time promotional appearance on our site. Please do not interpret this as an endorsement of these products by poopreading.com. We're simply trying to avoid costly and time-consuming litigation. Thank you.

It's huge! And I'd like to share my wang with you... and by you, I mean Ms. Loni Anderson, former star of 'WKRP in Cincinnati.' So once again, I'm looking to share my disconcertingly, almost uncomfortably gigantic wang with you, Loni Anderson. I will also consider Loni Anderson lookalikes, and chicks what gots the big boobies. I will NOT accept ugmos, fatties, femmies, retards, hags, bar hags, fag hags, sea hags, Larry Hagman (please stop calling) and chicks what gots the tiny boobies. Thank you, and God Bless America!"
