

### Least Popular Home Repair Books

by Baron von Funny

As winter turns to spring, people start focusing their attention on projects around the house. And many will turn to do-it-yourself books for advice and instruction. Just not these ones.

#### Least Popular Home Repair Books

- Harry Potter and the Curse of the Leaky Toilet (*Mike*)
- Build a House Out of Nothing But Doors (*Jameson*)
- Just Whack It With Something Until It Either Works or Breaks Completely (*Joe*)
