

Additional Ernie Anastos Catchphrases

by Baron von Funny

Last week, New York City WNYW Channel 5 anchor Ernie Anastos swore on live television while bantering with weatherman Nick Gregory. After Gregory's weather segment, Anastos said "I guess it takes a tough man to make a tender forecast," referencing an old Perdue chicken commercial, then quickly added "Keep fucking that chicken." The slip-up (Anastos likely meant to say "plucking") became an internet sensation, and has people everywhere craving more Anastos zingers they can adopt for everyday use...
