

New Slogans for BP

by Baron von Funny

With the Gulf oil spill now entering its third month, British-based energy company BP has found itself under fire from overwhelming negative publicity. As a result, the company may have to consider replacing their current "Beyond Petroleum" slogan with something new...

New Slogans for BP

- "The Global Leader in Fucking Shit Up." (*Tenessa*)
- "Oh, Like You've Never Caused a Catastrophic Environmental Disaster!" (*Brandon*)
- "Yeah, We Know, Tony Hayward's a Total Douche." (*Mike*)
- "Bayou Prettymuchdestroyedforever" (*Jameson*)
- "We've Been Waiting 240 Years for This. Revenge, Yankee Bitches!" (*Joe*)
- "Never Cry Over Spilled Oil." (*Tenessa*)
