

Least Popular Super Powers

by Baron von Funny

Sure, Superman can fly, Spiderman can climb walls, and Aquaman can communicate with sea creatures, and everybody loves them for it. But what about those who have been granted less impressive super powers?

Least Popular Super Powers

- Ability to communicate with sandwiches. *(Matt)*
- X-Ray vision, but only when looking at Chaz Bono. *(Mike)*
- An unyielding ability to deny the realities of climate change. *(Jameson)*
- Strength of Terence Trent D'Arby. *(Brandon)*
- Ability to shoot fire out of your crotch. *(Tenessa)*
- Ultra dishwasher loading speed. *(Matt)*
