

Other Things Mike Krzyzewski Can Do Better Than Bob Knight

by Baron von Funny

Earlier this week, Duke University basketball coach Mike Krzyzewski earned his 903rd career win, and as a result, passed up his mentor, former Indiana University and Texas Tech coach Bob Knight, to become the winningest coach in NCAA Division I Men's Basketball history. But that's not the only advantage he has on Knight...

Other Things Mike Krzyzewski Can Do Better Than Bob Knight

- Smile. (*Brandon*)
- String together unpronounceable consonants. (*Tenessa*)
- Throw a chair (for accuracy, not distance). (*Mike*)
- Mrs. Knight. Eh? Eh? (*Joe*)
- Spin a basketball on his erect penis. (*Matt*)
- Look like the guy who plays Taub on *House*. (*Jameson*)
- Choke a bitch. (*Brandon*)
- They're both doing a great job of NOT RAPING LITTLE BOYS. (*Tenessa*)
- Punch a goat square in the mouth. (*Matt*)
- Parcheesi. (You'd think Scrabble, but no, Parcheesi.) (*Jameson*)
- Spend one minute in a room with Christian Laettner without singing "Gaaaay, Gay Gaay Gaay GAAAAYYYYY" to the tune of the *Dagnet* theme. (To be fair though, almost nobody except Mike Krzyzewski can do that.) (*Joe*)
- Look a little bit like Hitler. (*Mike*)
- Bury prostitutes in the desert. (*Matt*)
- It may be damning with faint praise, but he does look slightly less vomit-inducing in a Speedo. (*Jameson*)
- Cook. What? Some of these aren't meant to be funny, merely factual. (*Joe*)
- Eat a hoagie seductively. (*Matt*)
- Keister a magical golden basketball found in an abandoned cave deep in the mountains of Tajikistan. Or at least that's what I thought I heard Jay Bilas say once on ESPN. I wasn't really paying attention. (*Brandon*)

—That fancy "alley-oop" dunking thing? Yeah, Krzyzewski is great at telling people to do that. (*Jameson*)

—Be achingly white. (*Matt*)

—Manage to not be a complete fucking asshole douchebag bully piece of shit. (*Joe*)
