

Least Popular Superheroes

by Baron von Funny

A new Batman film, *The Dark Knight Rises*, opened this week, just a few weeks after the successful release of *The Amazing Spider-Man*, and just two months after *The Avengers* became the highest-grossing superhero movie of all-time. But there are many other superheroes who won't be appearing in a theater near you...

Least Popular Superheroes

- The Enunciator (*Matt*)
- The Green Intern (*Tenessa*)
