

Other Things Undecided Voters Can't Decide

by Baron von Funny

With less than three weeks left until the 2012 U.S. presidential election, there are still a number of undecided voters left. And apparently picking a candidate isn't the only decision they're struggling with...

Other Things Undecided Voters Can't Decide

—Whether Lance Armstrong ever took performance-enhancing substances. (*Jameson*)

—If forced to list the five greatest TV shows of all time, would *Animal Practice* rank 3rd or 4th? (*Matt*)

—Whether to look at Moe, Larry, or Curly when masturbating to *The Three Stooges*. (*Brandon*)

—Whether or not the "Is This Anything?" segment on *The Late Show with David Letterman* is anything. (*Dan*)

—For \$1,500, would you bang a Klingon? Not a person in a Klingon costume; a Klingon. (*Joe*)

—Who's hotter: Joe Biden or Ryan Gosling? (*Matt*)

—Which of two equidistant cheeseburgers to eat. (The leading cause of starvation deaths in Ohio.) (*Jameson*)

—Does that bear with all the foam around his mouth seem friendly? (*Brandon*)

—Which is more comfortable: peeing sitting down, or pooping standing up? (*Matt*)

—How far the Q-tip should go in the ear today. (*Dan*)

—Whether the 2012 Arizona Cardinals are, in fact, contenders or pretenders. (*Joe*)

—Is Elton John *really* gay? (*Matt*)

—To go anal, armpit, or oral when it comes to taking a temperature. Each side makes some strong arguments. (*Dan*)

—What to name the new gay abortion assault weapon hedge fund they just started. (*Jameson*)

—Who'd be better in the sack: Jesus or Tim Tebow? (*Matt*)

—When to stop staring at the bug zapper. (*Dan*)

—How to get their head out of the dark, dank, foul-smelling cave it seems to be stuck in. (*Brandon*)

—Whether or not they should finally cast their vote for the 2000 Presidential Election. (*Matt*)
