

Alternate Uses for the U.S. Penny

by Baron von Funny

For quite some time, there has been a growing movement to discontinue the penny as a form of U.S. currency. But what will we do with all the pennies currently in circulation if that happens? The history of human innovation tells us people will find a way...

- Melt them down into disgusting but appropriately germ-filled statues of the members of the Rolling Stones. (*Dan*)
- Maybe one of them could write the next Transformers movie? (*Jameson*)
- Tape a bunch of them to your lover's face and it's like you're doin' it with Lincoln! (*Brandon*)
- Toss them off the Empire State Building as a new form of capital punishment. (*Matt*)
- Take it with you to the barbershop as an example once you finally get up the nerve to attempt the "full beard/no mustache" look. (*Joe*)
- Fill a sock with them and use it to hit this guy in the face. (*Tenessa*)
- Drop them into the cups of blind beggars. With the penny discontinued, that sounds like a nickel! (*Jameson*)
- Looks like your jeans are about to get even blingy-er! (*Brandon*)
- The new Oatmeal-Penny cookie from Mrs. Fields. (*Mike*)
- Save them and sell them to retro hipster douchebags twenty years from now. (*Dan*)
- Replacement teeth for ugly children. (*Jameson*)
- Collective nationwide buyout of the remainder of Leno's contract, just to get him off our damn TVs even earlier than planned. (*Brandon*)
- Are you familiar with the timeless flavor of penny-baked ham? Well, you soon will be! (*Matt*)
- To discourage punk kids from leaving pennies on the train tracks, just make the train tracks *out of* pennies. (*Joe*)
- We need something to chuck at Ann Coulter when she

opens her mouth. (*Brandon*)

—If you get pennies from as many different years as possible, you've got unique ID markers for your poop experiments. (*Matt*)

—iPenny. (I have no idea what this is, but if you market it the right way, you'll be a billionaire in 30 minutes.) (*Mike*)

—Nothing says classy like a penny-encrusted dong. (*Brandon*)

—Melt them down and form them into ammo for our new form of currency: guns, guns, guns! (*Jameson*)

—A poor man's Scrooge McDuck pool. (*Matt*)

—People will eat pretty much anything you put on a pizza, won't they? (*Brandon*)
