

### Other Things Rep. Michael Burgess Has Seen a Fetus Do

by Baron von Funny

This week, during discussion of a House of Representatives abortion bill, Texas Republican Congressman Michael Burgess (a former OB/GYN) claimed that if you watch sonograms of 15-week fetuses, you can see evidence of purposeful movements and feeling pleasure, adding that "If they're a male baby, they may have their hand between their legs." But Burgess's list of fetus observations doesn't stop at masturbation...

### Other Things Rep. Michael Burgess Has Seen a Fetus Do

—Root for the Miami Heat for two weeks a year. (*Jameson*)

—Wink suggestively at him while it masturbates. (*Matt*)

—Tebowing. (*Joe*)

—Crawl back inside the womb after learning that its name was North West. (*Brandon*)

—Blow themselves while wrapping the cord around their neck for a more intense high. (*Mike*)

—Put that thing down *right away*. (Impossible, no human baby has ever done that.) (*Jameson*)

—Appear as a split-screen pundit on Fox News. (*Brandon*)

—That ball-twirling trick that seals do at the zoo. (*Matt*)

—Decide to be gay. (*Jameson*)

—Take Instagram pictures of the amniotic fluid that's providing its nutrients. (*Joe*)

—Vote to repeal Obamacare. We are now at a point where every human being, past, present, or future, has done this at least once. (*Jameson*)

—Perform that Samuel L. Jackson monologue from *Deep Blue Sea*, during which the fetus was somehow also eaten by a shark. (*Brandon*)

—Pretend not to be home when its mother calls. (*Jameson*)

—Order a Grande coffee, half coffee and half hot chocolate with a shot of espresso, three pumps of mocha, three pumps of caramel swirl, six creams, and six liquid sugars, and then not drink it because it wasn't sweet enough. (*Matt*)

—Pose for a regular sonogram, and then a "silly" one just for fun. (*Joe*)

—That thing where you lace your fingers together and twist your hands so when you wiggle your middle fingers... you know that thing? (*Jameson*)

—Perform an abortion. (*Mike*)

—Look skeptically at Dr. Burgess's medical credentials. (*Jameson*)

—Butt stuff. (*Brandon*)
