

### Things You *Should* Do After Labor Day

by Baron von Funny

Everyone is familiar with the old saying "Don't wear white after Labor Day", and we even expanded on that list of don'ts a few years ago, but no one ever talks about what you *should* do after Labor Day. That is, until now...

#### Things You *Should* Do After Labor Day

- White women. (*Matt*)
- Listen to Whitesnake. (*Mike*)
- Have a baby. (*Dan*)
- Buy, and eat, a Labrador. (*Jameson*)
- Wear that skin suit you made from all those girls you kidnapped and threw into your basement pit (Buffalo Bill from *Silence of the Lambs* only). (*Brandon*)
- Sext a young lady a picture of your cock hanging out of your *slacks*, as opposed to your shorts. (*Joe*)
- End your summer poop hiatus. (*Matt*)
- Mathematically eliminate the Vikings from Super Bowl contention. (*Mike*)
- Avoid any movie with the word "triumph" anywhere on the poster. (*Jameson*)
- Continue to pretend you know what "twerking" is whenever young people bring it up. (*Joe*)
- Start counting the days 'til Columbus Day. (October 14th!) (*Brandon*)
- Stockpile guns, bibles, and Larry the Cable Guy DVDs for the coming Obamacare-ocalypse. (*Matt*)
- Draft Arian Foster and RG3 in fantasy football, using fellow fantasy players' over-hyped concerns about injuries and durability to score those elite players cheap! (*Joe*)
- Switch to the phrase, "Like brown on rice... because, you know, it's healthier." (*Mike*)
- Declare your candidacy for national elections that are still at least 30 months away. (*Jameson*)
- Start covering your midriff at work again. (*Matt*)
- Watch *The Crazy Ones* starring Robin Williams, new this fall on CBS: America's Most Watched Network! [Sponsored joke] (*Brandon*)

—Go on a rant about how today's music and pop culture is overly sexualized and detrimental to today's youth. Because for the love of Christ, we know that nobody's ever done *that* before. (*Joe*)

—Hold cucumbers up to your pants at the grocery store while saying, "Nope, still not big enough." (*Matt*)

—Quit working. (*Mike*)

—Get a job. (Hippie!) (*Jameson*)
