

### Items Left on Your Summer To-Do List

by Baron von Funny

There's only a few weeks left of summer, and everyone's scrambling to squeeze in as many activities as they can while it lasts...

#### Items Left on Your Summer To-Do List

- Oh shit! Make a summer to-do list!! (*Matt*)
- Meet up with hitchBOT. (*Dan*)
- Prank call the family of the late Eddie Cochran to taunt them that you've finally found a cure for the Summertime Blues, which is what killed Eddie. (*Brandon*)
- Find the delicate line between fart and shart. (*Mike*)
- Figure out whether Megyn Kelly is a smart dumb person or a dumb smart person. (*Tenessa*)
- Steel yourself and take more than a cursory glance at those Cosby allegations you've been hearing about. (*Jameson*)
- Get "TRUMP 4 PREZ" tattooed across your knuckles (totally fits if you include the thumbs). (*Joe*)
- Post-summer dehydrilzation and/or pre-winter moistening. (*Brandon*)
- Finish building that real-life Ant-Man, show Debbie in marketing that you are a man to be taken seriously. (*Mike*)
- 1) Buy 47 bags of Cheetos. 2) Construct fort out of Cheetos. 3) Eat fort. (*Tenessa*)
- Decide who to vote for in fifteen months! (*Jameson*)
- Get a silhouette of U.S. Secretary of Commerce Penny Pritzker sunburned on your cheek. (*Brandon*)
- Fuck a rainbow. Or at the very least, jerk off in the general direction of a rainbow. (*Matt*)
- Throw out the last of your adult son's priceless baseball card collection. (*Joe*)
- Read a boo— OH MY GOD, Nicki Minaj did NOT just tweet that! (*Brandon*)
- If you play for the Minnesota Twins, double check your list to make sure it really does say "collapse" instead of "continue to play winning baseball." (*Mike*)
- Hear the song "Shut Up and Dance" six million more fucking times. (*Tenessa*)

—Punch that asshat Duane in the kidney, thinks he can spoil the season finale of *Pretty Little Liars*! (*Brandon*)

—Finally get started on all the hand-written apologies you owe Larry Hagman. (Oops, he's already dead. Better apologize for that, too.) (*Jameson*)

—Shit in a tin bucket in front of a huge audience on a Broadway stage, like Matthew Broderick did that one time. (*Brandon*)

—Get in shape for summer. (*Mike*)
