

### Rejected Disney Sequels

by Baron von Funny

Disney Pixar's latest movie *Finding Dory* made a big splash last weekend, earning over \$135 million, the highest opening for an animated feature to date. The follow-up to 2003's megahit *Finding Nemo* adds to Disney's recent success in bringing popular characters back to the screen—and sequels are already in the works for *Frozen*, *Cars*, *The Incredibles*, and others. However, not every sequel idea is ready for the green light...
