

### **Names Trump Mistakenly Thinks DACA Is an Acronym For**

by Baron von Funny

This week, U.S. Attorney General Jeff Sessions announced that the Trump administration is putting an end to the Deferred Action for Childhood Arrivals immigration policy founded by the Obama administration. But within hours of the announcement, there was a story in the New York Times saying that administration officials privately expressed concern that President Trump "might not fully grasp the details of the steps he was about to take," and later, Trump himself tweeted that if Congress couldn't work out a solution, he would revisit the issue, all of which begs the question: what does Trump think the DACA is?
