

### Additional Contract Demands Being Made by Derek Jeter

by Baron von Funny

The New York Yankees and their aging superstar shortstop Derek Jeter have been at odds over a new free agent contract, with the two sides reportedly tens of millions of dollars apart. But rumor has it that money is not the only issue involved...

### Additional Contract Demands Being Made by Derek Jeter

—Wants his own private clubhouse and locker inside the "Ground Zero Mosque." (*Joe*)

—Post-game clubhouse spread must always include peaches stuffed with kielbasa, as that reminds him of "doing it." (*Brandon*)

—If he promises a sick kid that he'll hit a home run in his next game and fails to come through, the Yankees will have that kid summarily executed. (*Mike*)

—The grounds crew must also maintain the cut of his pubes. (*Matt*)

—The rest of the team has to sing that "Heigh Ho" song from *Snow White and the Seven Dwarfs* every time they take the field. (*Tenessa*)

—Prefers not to be asked to return as host of *Saturday Night Live* until it gets good again. (*Joe*)

—For the good of everyone, C.C. Sabathia should really have a private bathroom stall annexed to a different part of the building. (*Brandon*)

—One night, no questions asked, with the corpse of Leslie Nielsen. (*Mike*)

—In accordance with his strict rules about never using a condom when having sex, there shall no longer be a pitching rubber on any mound in Yankee Stadium. (*Matt*)

—Something has to be done about Justin Bieber. Jeter doesn't really care what, and he doesn't want to know about it. But something most certainly has to be done. (*Joe*)

—Wants to be assisted by a secondary shortstop who will cover ground balls that he feels are "extra bouncy" or "too far away." (*Mike*)

—I don't know if the feeling is mutual, but my husband keeps demanding that I sign a contract allowing him to have sex with Jeter. (*Tenessa*)

—If they ever put a statue of him outside Yankee Stadium,

sculptor is required to be really generous between the legs, if you know what I mean. (*Joe*)

—Yankees must hand over any remaining backstock of Reggie Bars. Them things was TASTY! (*Brandon*)

—Wants Leno to replace Conan on TBS. (*Mike*)

—A guarantee that A.J. Burnett will stop using Jeter's glove as a semen receptacle. (*Matt*)

—Wants to be digitally inserted into all *Friday Night Lights* love scenes featuring fiancée Minka Kelly. (*Joe*)

—Yankee Stadium loudspeaker must broadcast a sexy female voice saying "Ooo, Derek!" every time he touches second base. (*Brandon*)

—Would like confirmation about whether the rumors he's heard about getting a "Kruk Job" are true. (*Mike*)

—The legal right to punch one random Red Sox fan right in the face, even if it's an infant. (*Matt*)

—Mariano Rivera shall cease and desist delivering "Yokozunas." (*Joe*)

—Wishes to be buried as the meat in a Steinbrenner/Ruth "man sandwich". (*Mike*)
