

Things Americans Are Thankful For

by Baron von Funny

Thanksgiving is a time for reflection, gratitude, and turkey, and most Americans are serving up heaping helpings of all three...

Things Americans Are Thankful For

- Speed bumps! Those things are the best! (*Dan*)
- Football, and everything it does to promote zero talking after the lunchtime kickoff. (*Matt*)
- Big ol' titties. (*Joe*)
- Waistbands as elastic as their views on gay marriage and pot. (*Brandon*)
- The new Thank4 app, which suggests things to be thankful for, thus freeing them up to eat or search for jobs. (*Jameson*)
- Retailers who understand that opening their doors on Thanksgiving to sell a 75-inch flatscreen for 11 cents is more important than letting employees spend time with family. (*Mike*)
- The much-anticipated *Playgirl* spread of former U.S. Treasury Secretary Timothy Geithner. (*Matt*)
- Getting to play the Raiders on Thanksgiving. (Dallas Cowboys only) (*Joe*)
- We're still the undisputed world leader in food stuffed inside of other food. (*Brandon*)
- Fewer Chupacabra attacks this year than any year in recent memory. (*Jameson*)
- That somehow Christmas is starting BEFORE Thanksgiving now! (*Dan*)
- That even on the 50th anniversary of JFK's assassination, I can shamelessly promote this joke of mine from the July 16, 2010 Baron von Funny list, "American Secrets Discovered by the Russian Spies": It wasn't Lee Harvey Oswald's bullet that partially decapitated JFK, it was the mind-blowing handjob he'd just gotten from Jackie O. (*Matt*)
- The Hunger Games aren't real. Yet. (*Joe*)
- Being clearly not as psychologically damaged and emotionally crippled as the people that represent them in Congress. (*Brandon*)
- Gravy. (*Jameson*)

—And books about gravy. (*Matt*)

—The mayor who best embodies most negative international stereotypes about Americans – obese, drugged-up, sex-obsessed, loutish, sweaty – happens to be Canadian. (*Joe*)

—That the Obamacare website fiasco is distracting everyone from noticing how lousy *Modern Family* has become. (ABC, Steven Levitan, and Christopher Lloyd only) (*Brandon*)

—At least two more months until the next looming federal shutdown! (*Jameson*)

—Still getting hard-ons while reading *Wuthering Heights*, even after all these years. (*Matt*)

—VHS copies of *Meet Joe Black* are perfect for chucking at pesky neighborhood raccoons. (*Brandon*)

—Hot cousins, and the ever-reliable supply of more hot cousins to come. (*Jameson*)

—People who are terrible at hurdles. (*Matt*)

—Vanicream, the ointment that moisturizes while gradually dissolving away unwanted genitals! (*Brandon*)

—Beer, duh. (*Joe*)
