

Surprises Found in *Star Wars: The Force Awakens*

by Baron von Funny

Star Wars: The Force Awakens, one of the most highly-anticipated movies ever made, has finally arrived, and now that people have seen it, some have found a few things they didn't expect...

Surprises Found in *Star Wars: The Force Awakens*

—The galaxy is actually far, far, far, far away. (*Dan*)

—A surprising amount of farts. From primary characters. In really important moments. (*Matt*)

—More Delta Burke than I expected. (*Mike*)

—Boba Fett, merciless bounty hunter, is reimagined as "Boba FÃte," flamboyantly gay event planner. (*Joe*)

—Chewbacca costume has been made anatomically correct in unnecessarily graphic fashion. (*Brandon*)

—Eschewing the outplayed 3D fad, J.J. Abrams went ahead and shot in 9D. (*Jameson*)

—R2-D2 finally murders C-3PO. (*Dan*)

—Ever since Han rescued him from the Wampa, Luke has developed a secret, debilitating addiction to sleeping inside of freshly-killed tauntauns. (*Matt*)

—Beloved John Williams soundtrack replaced by Adele's 25. (*Mike*)

—Controversial new character in Admiral Ackbar's son Allahu. (*Joe*)

—Knowing where their bread is buttered, Disney went ahead and merged its canon into the Marvel Cinematic Universe. (*Jameson*)

—The Sarlacc is off gluten. (*Dan*)

—As part of a lucrative tie-in with Twitter, AT-ATs are now known as @-@s. (*Matt*)

—Sy Snootles of the Max Rebo Band gets her friends at Y-Wing Records to have her new album downloaded for free onto everyone's commlink. (*Mike*)

—Darth Trump. (*Joe*)

—Luke Skywalker now mostly just uses the Force to get a snack from the kitchen without having to get up off the couch. (*Brandon*)

—No computer graphics whatsoever; just guys wearing T-shirts that say SCARY ALIEN or WALRUS LIZARD GUY. (*Jameson*)

—Weird that the trailers and TV ads never mentioned it was a musical. (*Joe*)

—The one language C-3PO doesn't speak is the language of love. (*Dan*)

—The prequels were all part of a dream Bob Newhart had. (*Mike*)

—Princess Leia is now a blowsy recovering addict who writes saucy semi-autobiographical novels about the trials and tribulations of navigating showbiz. (*Joe*)

—Under all that fur, Chewie is only 30 pounds of skin and bone. (*Dan*)

—It follows the exact script of *Awakenings*. (*Matt*)

—In an effort to appeal to a wider audience of tween girls, the Jedi Knights have been rebranded as a boy band. (*Brandon*)

—An emotionally fragile Luke Skywalker is defeated when one of the bad guys simply says, "More like Puke Skywalker." (*Joe*)

—Light sabers are actually pronounced "life savers". Turns out every little kid was right. (*Dan*)

—It doesn't suck. (*Mike*)
