

Least Popular Versions of the New Ken Doll

by Baron von Funny

This week Mattel began selling new versions of its long-standing Barbie doll companion Ken, including two new body types dubbed "œslim" and "œbroad", six new molded hairstyles, including cornrows and a man bun, and seven skin tones. But some of the new variations aren't selling as well as others...

Least Popular Versions of the New Ken Doll

- Constantly Forwarding Conspiracy Theory Emails Ken (*Mike*)
- Replacement Star Wars Director Ken (*Jameson*)
- Subway Masturbator Ken (*Brandon*)
